

## IGHMF President John Foley will attend The Third Big Irish Campfire

The Big Irish Campfire takes place August 19, 2022 on the campus of Irish America's University, [Iona College](#) and will reflect on the current state of play for the Irish American community and aim to shape its future.

Said Irish Echo Publisher Máirtín Ó Muilleoir: "The Campfire is the only occasion when every strand of Irish America – sports, arts, business, politics, dance, societies, museums, heritage centers, clubs, hospitality and academia — come together as one. We have put together a compelling and fun programme for this year's Campfire and would encourage every Irish American organisation in the country to be represented in person or, via our livestream, online. The task of building a bright future for Irish America is the work of many hands and all will be given a hearty céad míle fáilte at the third Big Irish Campfire."

### The Importance of Ireland's Great Hunger to Future Generations

**John Foley,**  
President  
Ireland's Great  
Hunger Museum  
of Fairfield, Inc

**August 19, 2022**
